

MARTIN PHAM

Oakland, CA | 510.207.1065 | martin.mp.pham@gmail.com | Revit | AutoCAD | Bluebeam

SENIOR ARCHITECTURAL DESIGNER / JOB CAPTAIN

Senior architectural designer with 13+ years delivering design and construction documentation across Civic, Commercial, Residential, Multifamily, and Retail projects. Experienced in Revit/BIM, multidisciplinary coordination, code compliance, QA/QC, constructability, construction administration, and translating design intent into accurate, buildable documents.

PROFESSIONAL EXPERIENCE

SHAW KAWASAKI ARCHITECTS | Senior Architectural Designer/ Job Captain

Aug 2024 – Present

- Lead architectural design and documentation for Civic projects through all design phases & construction administration; producing coordinated permit and construction-ready drawing packages.
- Drive Revit/BIM production and documentation standards; coordinate architectural work with Structural, MEP, Civil, and other consultants and resolve design conflicts.
- Apply California Building Code and accessibility requirements; lead QA/QC, drawing reviews, RFIs, submittals, shop drawings, and construction-phase responses.
- Provide technical direction and mentorship to junior staff while maintaining design quality, schedule, and constructability.

STUDIO T-SQUARE ARCHITECTS | Job Captain

Feb 2019 – Aug 2024

- Led SD/DD/CD production for single-family detached and townhome projects, including Type V developments exceeding 40 residential units.
- Coordinated Revit/CAD files, consultants, clients, contractors, and project leadership; prepared detailed construction drawings and specifications.
- Supported planning approvals, site observations, frame walks, RFIs, submittals, shop drawings, and construction issue resolution; performed code and QA/QC reviews.

DAHLIN ARCHITECTS | Designer

May 2016 – Feb 2019

- Supported single-family residential design and construction documentation, developing coordinated plans, elevations, sections, and details.

MBH ARCHITECTS | Designer

Apr 2015 – May 2016

- Delivered retail development documentation from concept through construction; coordinated client prototype requirements with consultants for one of the largest technology client in the world.

ALPHA DESIGN | Design Contractor

Nov 2014 – Apr 2015

- Supported renovation projects through field documentation, drafting, and architectural drawing development.

EDUCATION

Academy of Art University — Accredited M.Arch | University of California, Berkeley — B.A. Biology

TECHNICAL & PROFESSIONAL SKILLS

Revit / BIM • AutoCAD • Bluebeam • Microsoft Office • Zoom / Teams • Construction Documents • Multidisciplinary Coordination • California Building Code / ADA • QA/QC • Construction Administration • RFIs / Submittals / Shop Drawings • Field Observation • Constructability • Client / Consultant / Contractor Coordination • Design Standards & Workflows

SELECTED VALUE

TECHNICAL LEADERSHIP

Lead production, coordination, QA/QC, and technical problem-solving across project teams.

PROJECT DELIVERY

Move projects from design through CDs and construction with attention to schedule, accuracy, and constructability.

COLLABORATION

Coordinate clients, consultants, contractors, and junior staff to resolve issues and maintain design intent.
